BRIGHT FUTURES
SCHOLARSHIP PROGRAM

Established in 1993, the Bright Futures Scholarship Program awards college scholarships to children of Kimberly-Clark employees in the United States and Canada. Each scholarship is worth up to \$20,000 (\$5,000 per year for up to four years) for full-time students studying at accredited colleges and universities. Since its inception, the program has distributed nearly \$50 million in scholarships to more than 2,300 students.

This year, the Foundation received nearly 200 applications and awarded 47 scholarships totaling \$940,000. Please join us in congratulating the 2024 Bright Futures Scholarship recipients listed below. We wish them every success in their future endeavors.
